COMMENT FORM

Drive to Prosperity: Manufacturing Drive/Bluff Boulevard Reconstruction

For your convenience in making comments regarding potential infrastructure improvements in the area please use the space provided below. In addition, please use the image on the back of this page to draw circles or lines indicating any specific areas addressed by your comments. Comments may involve existing or proposed improvements, safety, drainage, aesthetics or other concerns you may have in regard to the project.

We will give careful consideration to all of the comments and information provided as the project develops.
