

CITYPLACE CORPORATE CENTRE 3 - BUILDING 10

OVERLAND PARK, KS

PROJECT DESCRIPTION

McClure provided final site planning services, and civil site improvement design services for a proposed 125,000 sq. ft. office building with 549 parking spaces on a 6.5 acre site located at CityPlace, in Overland Park, Kansas. McClure also provided survey services to prepare a final plat for the project.

PROJECT HIGHLIGHTS:

- Highlights include assisting the project architect and developer to design a site amenity for the office building use that includes seating areas, outdoor kitchen, fire pit, and lawn areas.

COMPLETION DATE

December 2019
